Bryant Service Club
Bryant College
Providence R.I.

Dear friends:

It was a pleasure to receive the news bulletin, with all the news concerning my former students and associates. The Easter box of candy arrived in perfect condition and I enjoyed it very much. It is gratifying to those of us who are away from Bryant to know that we are remembered by our old friends

At present I am attached to the Office of Supervisory Cost Inspector U.S.N., 1st Naval District and I hope that my work will take me to Providence and that I will have the opportunity of renewing old acquaintance

Yours sincerely

Lt Wm F Shore SC USNR
