

WAKE FOREST COLLEGE SECTION
ARMY FINANCE SCHOOL
WAKE FOREST, N. C.

Dear Bryant,

I was glad to hear from Bryant again and especially in the form of a package of cookies and candy. You can be sure they were appreciated by myself and my roommate.

A new class is coming in very soon to start just like we did four weeks ago - time certainly does go by fast. You'd be surprised at the amount of work we've covered in such a short time; we're half way through our fifth 100 page textbook and we covered every single page and paragraph in each book!!!

On top of that we have tactical training from Infantry officers. They teach us tent-pitching, camouflage, weapons,

and a lot more, of course.
Last week we had to pitch
our tents and display our
field equipment in the sun -
it really wasn't too warm;
only 104° in the shade, if you
were in the shade which
we weren't! When we came
back to our barracks we
were soaking wet from top to
bottom.

However, we can't complain
as we live in a beautiful
hermitary and the food is the
best I've had yet in the Army.
We even get those thick, juicy,
steaks that you civilians
left in Bryant never see
any more. Jealous? I can't
blame you at all!

Thomas Dunn is here in the
same barracks with me taking
the same course. Maybe he'd
like to hear from Bryant again.

Thanks again for the package -
keep up the good work Bryant!

Sincerely,

Bob Bernstein '42
