Homecoming/Reunion 2001
A New Tradition is Born

If school spirit, attendance, and smiles were anything to judge by, the first combined Alumni Reunion and Homecoming weekend was a great success. The weekend began with a Kickoff Gala to announce the college's first capital campaign. Alumni learned how the $35 million goal for The Campaign for Bryant: It's About Changing Lives will enable the college to upgrade facilities, establish new academic programs, and invest in faculty development. After dinner and a viewing of the campaign video, alumni and guests joined students to see the Bryant pond illuminated by floating fire displays. More than 4,600 people joined the weekend festivities.

We Appreciate Your Patience . . .

Some alumni received the last issue of the *Alumni Bulletin*, which focused largely on the schedule of events for Homecoming/Reunion, after the October 20 weekend. The newsletter was sent out on October 3, which under normal circumstances would have allowed enough time for mailing. Unfortunately, the September 11 terrorist strikes and the anthrax outbreaks have made it clear that we are no longer living under normal circumstances. Our country is at war.

Bryant College will continue its educational mission as we will continue to support our alumni community through targeted communication and special events. There will be unavoidable circumstances. In the face of historical events that are taking place all around us, we appreciate your patience and understanding.
