Dear Bryant Service Club Girls;

Thank you so much for your package which I received ages ago but unfortunately was unable to acknowledge since I was in the midst of my training program at Yale Communications School as an Aviation Cadet. Fortunately I graduated all right and received my commission of which I am quite proud. Now I'm anxious to go to work and do something as I've been doing nothing but going to school since I've been in the service (ten months so far!). At present, I'm at the school of Applied Tactics here. When I graduate I'll be assigned to a fighter squadron as a communications officer. After that many moons.

Other men of Bryant Collegium I hear from are:

A/c Mc Grath William Jr. - Flying Cadet at Santa Ana, Calif.

A/c Jeanfaure, Henry - Ditto

Ensign Bob Wolfe - Attached to M. Schroff (Temp.) Not yet bunding

Pvt. Edwin Cafferty - 903 PM Det. Norris Field Charlotte, N. C.

Doing all acctg. work.

That's all now.

Yours

S. F. Sullivan
