RUTH ELLIS PORTER

Dear Bryant Service Club -

Thank you so much for the box of assorted candy you sent to me. It certainly was very much appreciated.

And I want to thank you for sending me those cigarettes I got them about 2 months ago and it seemed that they had followed me from New York to Oklahoma and back to Washington. I'm sorry I haven't written before.

Bryant school days seem a long way back - it seems as if so much has happened

since then. But as I think of
the school and my friends there
quite often.

My correct name is in the
printed letterhead. I was married
a year ago this month.

Thank you again for the
Christmas presents - the Bryant
new letter and, ^{the} Cigaretts. Your
Club is doing a wonderful job -

Sincerely

Ruth Ellis (Porter)
