Dear Chairman:

This letter is to acknowledge receipt of your gift from the Bryant Service Club.

It was a mild surprise to me to find that the students of Bryant are thinking of the Bryant Alumni in the services. I wish to thank them all for their thoughtfulness.

I received your gift at Camp Lee and have been at the above station for the past five days. I will be at this post for the next two weeks and then expect to be transferred to another.

With best regards,
Paul Filipowich
