

2/19/47

Dear Sirs:

I wish to express my sincere thanks in receiving such a thoughtful gift of thermos. Also it is a splendid endeavor that the club is doing and that every service man is delighted in receiving such tokens.

The cigarettes were received in good order and feel we see the knitted socks were really warm, and desirable. With many thanks and good wishes I remain

Class 33") Tech/Sgt. W. E. Hargreaves
