Dear Mr. Chairman and Members of the Bryant Service Club;

I wish to thank you and all those who have made contributions for this little gift

I would also like to let you know that I enjoy the Alumni Bulletin, which gives me means in following the activities of some of my fellow students. I am contemplating on moving within a week and cannot give you a definite address which was requested in one of the Alumni Bulletins.

I would like to write more but cannot - Military restrictions.

Sincerely and Appreciating,

Matthew E. Kryston
