

12 April 1945

Bryant Service Club
Bryant College
1 Young Orchard Ave.
Providence, Rhode Island

Gentlewomen:

The candy arrived registered and special delivery on Easter Saturday. It was a pleasant surprise - just when I had convinced myself that there were no Easter bunnies running around in 1945.

Best wishes to all the members of the Service Club and please remember me to all the boys in service who may call at the College or with whom you have contact.

Very truly yours,

Henry J. Lee
