To the Bryant Service Club  
my dear gals and guys

It was heartwarming to receive your Christmas package; because of my change of address it was delivered after Christmas but in good condition and none-the-less appreciated.

Your thoughtfulness brought to mind my enjoyable days at Bryant and I wondered if you had the addresses of Jimmy Erlin and Ben Senda Class of 1941. I would appreciate your sending them to me if you did.

Meanwhile tell Mr. Szlaski I was asking for him

Thank you very much

Sincerely yours

a/c William J McGrath
