Bryant College Service Club,

I don't know exactly at whom I should direct my thanks for the very thoughtful gift I received the other day, so I'll just say thanks a million.

My roommates, with whom I shared my package, now wish they had gone to Bryant.

I sure was glad to receive a copy of "On the Campus". And that Greek Letter dance - boy, wouldn't I like to take that in? But I guess I'll have to wait until we beat the beans out of those "slant-eyes".

Right now I'd like add the B. C. S. C. on to my list. (I'm going to bring down a "Zero" for every name on my list - So help me!)

I'd like to talk like this for hours, but it will be "tape" in about 15 minutes. I'd like to hear more of the "gains-an" at Bryant.

Sincerely,
Mike Lada
