

DONALD J. MULLEN
ENSIGN, UNITED STATES NAVAL RESERVE

New Guinea Area
June 23, 1945

Dear Members:

It is difficult to express the satisfaction that one feels upon receiving a gift from the B. S. G. but I assure you that it is a real pleasure to know that we have not been forgotten by our Alma Mater.

Two of the officers aboard are from Yale and Harvard, respectfully, and they agree that the work you are doing is remarkable and it puts the larger Colleges to shame.

Your frequent news letters are always welcome as all of us like to keep posted on the current doings around the College.

To all the members of the

Club, my sincere thanks and
best wishes. Keep-up the good
work especially those letters as
they are great morale builders
to us fellows over-seas.

Sincerely,

Donald J. Mullen "43"
