

November 19, 1942

Members of Bryant:

Let me offer congratulations on the fine work which your Service Club is rendering to the alumni in the Armed Forces.

As an alumna of Bryant I would like to add the enclosed contribution to your cigarette fund which may help in some small measure.

If I can be of any service to your organization I would appreciate it if

you would get in touch
with me.

Sincerely
Catherine C. Shehan
