Providence R.I.

Dear friends:
It was a pleasure to receive the
news bulletin, with all the news concerning
my former students and associates. The
Easter box of candy arrived in perfect
condition and I enjoyed it very much.
It is gratifying to those of us who are
away from Bryant to know that we
are remembered by our old friends.

at present I am attached to
the Office of Supervisory Cost Inspector
U.S.N., 1st Naval District and I hope that
my work will take me to Providence and
that I will have the opportunity of renewing
old acquaintances.

Yours sincerely
St. John Shaw
