Dear Chairman - Bryant Service Club,

I am very pleased with the gift of knitted socks just received from the Bryant Service Club. I can just imagine the time and effort that -- I am sure -- was needed to prepare such a gift.

Your Bulletins have been coming to me regularly, wherever I've been. Thanks, also, for the letters I've received. It's been interesting to read of your activities.

Hope to be "over" to see you all soon -- as the "6th" is back in Providence again.

Thank you - and lots of luck to everyone at Bryant!

Sincerely,

Paul E. Smedberg
