Gentlemen:

I'm a little late in getting around to saying thank you for the Easter box of candy that you sent me. You see I have been on leave for two weeks, and as you can well imagine, every service person takes advantage of those 14 days out of the year.

However, I do want you to know that the candy was much appreciated and enjoyed, and it gives one a nice feeling to know she is being remembered by her college.

Sincerely,

*Dorothy L. Vaill y a/c U.S.N.R.*
