Syracuse, New York.
April 12, 1944

Dear Mr. Jacobs.

Yesterday we received word from
one Bob that he has completed his missions
over Germany, and he has been awarded
the Distinguished Flying Cross by General
Le May of the Eighth Air Force in England.

He has been overseas since last August
serving as Radio Operator, and Ball Turret
gunner on a B17 Flying Fortress, which is a
very tough spot. We look for him to come
home soon, and he may decide to ^{go} down East
and pay you a visit. According to pictures he
sent he looks good, and he says he feels fine.
Mrs Connor and I thought you, and his teachers
might like to have this news. One best wishes
to you, and all his other friends in Providence.

Yours truly

William J. Connor '42
