Dear Friends,

Thanks so much for
the nice present I re-
ceived from you for
Christmas. It was de-
licious and what much
too just for me. It was
very thoughtful of you
people to still remem-
ber and I can assure
you all, I appreciated
your act of kindness
more than you will
ever know. You are per-
forming a wonderful
thing and with each

people to come home
that this is worth
fighting for and sacri-
ficing

The Colby certainly
sounds like a changed
place since I was
there many years in '42.
Would I ever like to
visit but hope to one
day and in the
meantime I'll just keep
on wishing and praying.
I like that Eldridge
Hall business - how
come?
May you have the

Best of everything in
the coming year and
a very happy one to all.

Thank you again and
note different address.

Sincerely,

Charles Eldredge
