Gentlemen,-

Replying to your letter of Jan. 19 inquiring whether my son Lt. Kirke B. Everson Jr. received the packages which you sent him Apr. 27 and Dec. 4,- he was home on sick leave during the last week of December, said he had received packages from you, and he intended to call and thank you in person.

But his leave was short, and he was not allowed out during bad weather on account of his weak condition, so he did not have time for several calls.

I shall remind him. His address is B.O.Q., Randolph Field, Tex. Please accept his parents' thanks for your kindness.

Yours truly,

Kirke B. Everson
