Chairman:

again I wish to thank you for the cigarettes which I received the other day. It means a lot to know that the old gang at home is thinking of we fellows in the surice not only that but those cigarette sure do come in mighty handy now them.

I have a new address Bldg. 710 Room 131 due to another promotion in the Calit ranks. Loom I hope to receive a still larger one this time the real thing. I will be through my training next Wednesday & hope to be commissioned Triday July 3 if my orders come in on time. We have been having a lot of poor weath & that has held up the flying schools on hombing & gumning.

I hope to drop into Byant when I get home that is if I get any leave & I'm looking forward very much to a trip hade to the good old north where the dam yankers line. They don't know the war is one down here.

Back to the equation for some night flying so once again Ill say that for the smokes.

Sincerely Bot moralell
