Regent Savings Club,

Thank you very much for the Christmas
letter from Regent. It came today and I certainly
enjoyed reading it. I have not as yet received
the package yet, but know it's on the way,
since many other packages are chasing me
also.

It's nice to hear about the old gang
and what they're doing. In my branch of
the union I don't get an opportunity to
meet many who would have gone to Regent
and the word from the state is always a
good word. Hope we can all spend a
Christmas at home in the state. Thanks
for the letter.

Sincerely
Arthur Baker
