

15 January, 1943.

Dear Friends

Just a note to thank you for the Christmas package that you sent to me. I really did appreciate it very much.

I'm spending these winter months in the Sunshine City - St. Petersburg, Florida, and after thirteen months with a patrol squadron operating out of Newfoundland and Greenland I assure you I can easily enjoy this warm weather.

I am looking forward to an alumni reunion in the not too distant future.

Thanks again, and best regards to all.

Sincerely,

Arnold W. Pearson
