Dear Miss Blaney,

I hope this letter finds you well and happy.

How are things at Bryant?

I arrived here Wednesday noon for several months of college training.

Davidson is a small town about 26 miles from Charlotte. Davidson itself is very small and has a population not exceeding 700.

I haven't had a chance to look around yet, but I think that I'm going to like it here.

Give my regards to the faculty and all my friends at Bryant.

Please drop me a line if you
get a chance.

Sincerely
Leonard
