Dear Friends,

I should like to express my thanks to you people for remembering me this Xmas. Your gift made our operations office a popular place while it lasted.

Although I had entertained high hopes of returning home this year complications as usual, arose at the last minute.

The Providence paper arrives more or less regularly & I have been able to keep track of some of my old friends at Bryant.

Once again I should like to thank you both for myself & the rest of the men in the service.

I'm sorry that I can't say it in person, but here 'tis - Merry Xmas & a Happy New Year.

Sincerely,  
AH
