Friends:

Received the box of candy today. Thanks loads! I really enjoyed eating it as I thought of Mr. Lee having to chip in for it too. It kind of makes up for the Haddon Halls we fellows had to buy him.

At present I am in Officers Training School and although I haven't instructors like Mr. Lee, Mr. Gulski, and Mr. Vinal I

like the course very much. It  
reminds me of Bryant too as  
I am kept very busy with  
homework.

Again thanks very much!

Wes. Crawley.
