Dear Bryant Service Club.

Thanks very much for your Christmas gift and greetings. I did enjoy the candy lots.

Although my address has changed recently, the package reached me through "channels". I am using a temporary address at present, because I have been in the hospital for some time. Have recovered from my illness and expect to return to duty soon. When I am assigned, I will be able to send you a correct address.

I do appreciate your remembering me - and hope that everyone has a Merry Christmas with the best for '45.
