Dear Friends:

Just a note to advise you that I received your letter last month in December, and enjoyed getting the school news again.

In this letter you advised that the club was sending a B.S.C. Christmas package, and asked for acknowledgment of receipt of same. To date I have not received the mentioned package, which evidently was lost in the mail. As you know by looking at your club records on me, I have requested that all correspondence, packages, etc., be sent to me only at my Permanent Mail Address (home) listed above. I have contacted my folks regarding this package, and they advise that they have never received it to forward on to me.

I advise you of this only so that you may check the records to find out if the package was missed, so that this would not occur again, as I know the

Club is desirous not to pay for something and then not have the benefit of their purchases. The Bryant Service Club is doing such a marvelous job, and their efforts are surely appreciated by every man in the Service, and I want you all to know that I personally, sincerely appreciate every kindness.

Please check all records, B.S.C. records, and the school and any other records, and please be sure that my permanent mail address is listed, and no other address (i.e. an army address, which are too uncertain) as follows:

Personal - Please Forward

Thanks again for all past favors and kind thoughts, and I send my kindest personal regards and best wishes to you all.

Most Sincerely,

W. E. Brahmmer
