158 Arnold Ave. Edgewood, R.I. Feb. 24, 1943

Bryant Service Club Bryant College Providence, R.I.

Gentlemen:

I received a letter from my husband, Cardiner W. Congdon yesterday, telling me he had received two tins of flat fifties Camels from you. I previously wrote that he had not received this gift and thought probably you had been tracing it.

He will probably write and thank you for your kindness, but if not I am saying it for him.

norgaset M. Congdon
