Dear Service Club:

I'm not in the
"Smokies" but I'm
making plenty of smoke
with the cigarettes I
received from you today.

I still haven't
seen any of the class
of '39 but have heard
from Richard "Dick"
Fogwell who is up
in Italy and probably
will see Berlin soon
if he has anything to
do with it.

My correct address is:

Paul D. Dwelly, Coy. USNR
U. S. S. PC. 473.

40 Fleet Post Office,
New York, N. Y.

I thank you again
and hope we're all
at a big re-union soon.

Sincerely yours,
Paul D. Dwelly
