THIS CARD TO BE USED ONLY BY MEN IN THE U. S. ARMED FORCES

Gratitude
It is certainly a source of joy
to receive your letters and cards and
even though I am pressed for time I
will acknowledge a small amount of
my appreciation on this card. A letter
of many pages would not fully describe
my real appreciation at being remembered
by you - but I certainly shall try to
write a much longer letter upon the
completion of my special course,
in about 4 weeks.

There isn't much that I can say
right now in regard to my present
status but upon my release from here
and re-assignment to a new post
I will gladly inform you as to my
actions since Christmas. I know you
will appreciate the position I'm in,
at the moment, and will bear with
me for a few more weeks.

Do not use my present address or
rank as a permanent one as I am
here only temporarily - I will be
re-located & reassigned shortly.

Thanks again for your thought &
those handy flat fifties.

Fraternally, R. A. Byles '35
