Dearest Dominic,  
Am having my hair washed. Went to get all of my uniforms this aft. + just had time to have our suit + topcoat fitted, to get here on time. Have to return something to have my summer suit + 2 extra shirts + uniform blue silk jassy dress fitted. Had fun last night at the S. D. party. Rode from my flower to a place on the Potomac called "The Stables" for dinner in a regular old surrey or stage coach. We graduated 5:30. + have uniform inspections then. Got our assignments from your 2 letters + 1 from Uncle Hugh today. Lots of love, chick
