Dear Chairman

Your recent gift was received with great enthusiasm. To be remembered by the people back home, is one of the nicest things that can happen to the average service man.

Everything is running smoothly here at Patterson Field, Ohio. My payroll work is always interesting as new situations arise every day. There is never a dull moment!! I can really say that my education at Bryant has stood me in good stead.

Best of luck to your club and thanks again for the nice gift.

Sincerely

S/Sgt. Albert Chesney, Jr.
