Tues.

Dearest Mommie,  
arrived back in Wash.  
yesterday aft. after a very  
dirty train ride. Am staying  
at the Blackstone Hotel on  
17th between K + L Sts. just  
around corner from Mayflower  
& Statler. Very convenient.  
address mail to 930 H St. as I  
told you. I have a week's  
assignment at Service Club  
Ho. 1 here in Wash. Training  
Bruce who was at C. P. H. was  
also assigned to this club.  
I am to report at 2:30 P.M. today.  
Don't know what my hours will  
be. Took a world of things to be  
laundered & cleaned & pressed.  
Must wear civilian clothes on  
this assign. Just finished having  
my hair washed. It was wonderful  
to sleep between sheets again  
& to have glasses & cups & saucers  
to drink out of. Our group is  
all scattered now on new assign.  
I am in club recreation work. Won't  
know until time to go some place  
whether I shall land in Nat. Home,  
club, camp, Clubmobile or what.  
Letter will follow soon as poss. <sup>For M.</sup> <sup>Rich.</sup>
