Darling, —

Just a short note honey,
to tell you that I love you.

I had a terrible time tonight,
it was a good picture I guess,
what I saw of it.

The WAC was very pretty,
I guess, but she didn't smile
like you, she didn't call me
"honey," she had brown eyes,
and I'm not going to marry
her.

I feel awful, I've got
a hangover on top of a hangover,
I can't even write. There was
a mob on the train, we drank
all the way to Beacon, my God
what a trip.

Taps is going to blow in
about a minute angel, so it's

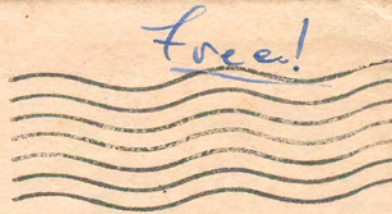

goodnight my darling, for now.
I'll write tomorrow. I love you
with all my heart, "Body & Soul."
Sleep tight my darling,
I think of you always.

As ever —

~~Love~~

P.S. — I love you.
