## Six Bryant Students at 1967 National Model General Assembly

By Kenneth A. Culp  
Six Bryant students, John Angelone, Thomas Brassil, Ray Dempsey, Howard Duckworth, William Kaske, and David Linquist, along with Dr. Sol Libovitz as faculty advisor, represented Bryant College at the 1967 National Model General Assembly held in New York. At this affair Bryant joined Harvard, Yale, Brown, Tufts, Simmons, Maine, Mount Holyoke, Nasson, Stonehill, Suffolk, Springfield, and Emerson College as the only colleges and universities from New England to be represented at the assembly.

Bryant represented the country of Afghanistan. They, therefore, represented Afghanistan in the Model Assembly and on all the committees of that assembly as well. It was necessary for the delegation to play the role of the real Afghanistan delegation which is a member of the UN. It is by doing this that members attending the assembly learn how the UN operates and what stand the country they represent will take on the issues brought before the assembly.

## Senate Holds Annual Banquet

By Kenneth A. Culp  
Last night at the Admiral Inn in Cumberland, R. I., the Student Senate held its annual banquet. Attending were many college officers as well as the Student Senate officers. Incoming and outgoing Presidents of all the clubs that are members of the senate were present along with the guests.

Part of the activities of the evening included the presenting of awards to the outgoing Senate officers and certificates to the outgoing Senate members—mostly seniors. The new Senate officers headed by President Paul DeLude of Warwick were introduced to the assembled members along with the members of the senate for next year.

## Bryant Masquers To Present "The High School"

On Monday, May 8 and Thursday, May 11 the Bryant College Masquers will present as their spring play *The High School*, from The World of Sholem Aleichem, translated by Arnold Perl.

The characters in this interesting and funny play are Hanna—Sandy Miller, Aaron—Jack Ellovich, Moishe—Ken Cohen, Tutor—Bob Stosse, Aunt Reba—Lori Levine, Uncle Max—Dave Sigel, Principal—Dick Hurst, Kholyava—Wally Pearson. Sandy was recently elected Best Actress, and Bob received Best Supporting Actor.

There will also be a Hebrew folk singer, Al Arabian, who is from the Providence area. This should add a definite interest to all who like folk singing.

The play *High School* is a light comedy which all should fully enjoy. It is a story about a young Jewish boy who wants to enter the high school but because of existing quotas he has many problems. These problems lead to many funny situations and circumstances. Admission is free, so get there early to get a seat. CURTAIN TIME IS 7:30 P. M.

## Alumnae Bring Art Masterpieces To Girls' Dorms

Special recognition is to be made during Homecoming activities of a fine gesture on the part of Bryant College alumnae who resided in Salisbury Hall during the tenure of Mrs. Ruth E. Wells as Housemother. Under the direction of Mrs. Janice Tillson Fraser, the House President at that time, a fund has been accumulated for use as a memorial to Mrs. Wells.

The contributors elected to purchase a quantity of prints of art masterpieces, small enough in size to serve as decorations in students' rooms. For a very nominal fee, these prints will be rented to students on a semester or yearly basis. The fee will serve to perpetuate the fund and the memorial, The Ruth E. Wells Art Collection. It is hoped that students will welcome this innovation and help perpetuate this fine gesture by taking advantage of an opportunity to enjoy copies of these "World's Most Beautiful Paintings."

## Bryant Represented in Pell Internship Program

By Marvin Friedman

Through the cooperation of Senator Claiborne Pell, four Bryant College students spent a week working in the office of a United States Senator, in Washington, D. C. The four students included Tom Brassil, Howard Duckworth, Judy Mascena, and Terrance McAloon.

The Pell Internship Program is designed to acquaint the constituents of Rhode Island with the operations of the legislative body of the Federal Government. Bryant has shown an interest in state affairs by participating in the program for the past six years. The faculty coordinator for this program at Bryant has been Dr. Sol Libovitz, Head of the Political Science Department.

Residents of Rhode Island who are attending a Rhode Island college are eligible to take part in the program. It is preferred, however, that the student have at least a "B" average in his Political Science courses and that he be a senior.

Bryant's allotment consisted of sending two students, for each of two weeks. March 27 (Continued on Page 3, Col. 4)

## (Infernal) B(otchproof) M(atckmaker)

By V. L. Robinson

Marriage counselors sighed and said,

"We give up. Naught avails!  
No matter how we work and wait

One of four matches fails!"  
"Much too high a percentage."

Everyone did agree.  
What the state of wedlock needs  
Is managerial ability.

Top notch management got  
together,  
Said, "We'll make each one a  
gem!

We'll check each scientifically,  
Marriages will be made at  
BBM!"

So two weeks ago we married,  
We were matched up  
perfectly  
Our education's religion and  
preferences  
Dictated the probability.

But tomorrow just at noon-  
time,  
We sign a divorce decree.  
Computers have no emotions.  
And I don't love him at all.  
You see?

## THE LINE

By Albert Vaillere and  
Virginia Robinson

I have just now crossed the line  
That corrals the boys from  
men  
And when I have stepped o'er  
I cannot go back again.

I remember when this line  
Seemed distant, oh so far  
As from a pebble on the beach  
To the most light-distant star.

Now that I've crossed this line  
I see one ahead  
So close that I could touch it—  
But the thought fills me with  
dread.

This line is ever before me,  
In my view, within my reach  
But I do not seek to cross it  
Just to learn what it can  
teach.

For beyond this prox'mat line  
No joy, no anxiety,  
No pain, no love, no loss, no help  
For here, eternity.

Well, softball starts this week and Beta's new athletic director Mark (studwell) Rawady said that Beta is going all the way.

The question that everyone is asking is what does studwell mean by all the way. Jay (Phoeb) Einhorn is to be congratulated for being elected President of Beta's night division. Jay would like to see all the night brothers at 9:30 P.M. at "Johnny's Cafeteria" for a dinner meeting.

This really was the week that was, for, Dick Fader had his car borrowed, Marty Susman was elected three time winner of Cheek of the Week, Jeff Bauer bought a ring, Dominic and Yogi were made honorary sisters of Theta, Kab found his Murkin, Charles Kovitz found a big telephone pole, Mable went to tennis practice, and Brian joined the National Guard.

The Brothers of Beta Sigma Chi would like to wish the Brothers of BEB and the Sisters of SEB good luck on their weekend, May Queen. The Brothers would also like to wish Kathy McCarty all the luck in the world for we know she will do a great job. The word for the week is "Beta's Groovy."

ATTENTION!! To the student body! Kathy Heslin finally accepted Michael Perry's Pin. We would like to congratulate them.

### A REMINDER TO SENIORS FROM THE PUBLIC RELATIONS OFFICE:

If you did not have your picture taken for the Yearbook, the College News Bureau will not be able to include a picture along with the notice about your graduation which will be sent to your home town newspaper at Commencement time in July. Ordinarily a duplicate of your Yearbook picture is used for this purpose.

If this is the case, will you please bring or mail a picture to the Bryant News Bureau, Administration Building, Bryant College, 154 Hope Street, Providence Rhode Island 02906, as soon as possible.

ALSO, if there is more than one paper in your home town, will you submit any additional pictures that may be required? Otherwise, we will have just the one duplicate of your Yearbook picture.

IMPORTANT! Please be sure to write your name lightly in pencil on the back of all pictures.

Thank you very much.

By Isms

The brothers wished Ginger Richard the best of luck in the May Queen competition. We know you represented us well.

The brothers also wish Bill Luck on their weekend.

The Chi Gam basketball team relinquished the basketball throne to KT. The Chi Gam courtmen were finalists after finishing tied for fourth. The team beat in the semi-finals and were able to beat a previously undefeated KT team in the first of the best of three series. KT won the next two games and took the championship. The brothers of Chi Gam congratulate KT on their victory.

Although the basketball season ended on a sad note, it is even sadder because Chi Gam will no longer have the services of Bruce Vittner and Jim "Hooper" Gray. These two young gentlemen will have finished school before the next basketball season begins. Their sparkling careers have ended. The brothers are proud of the team for its fine showing. Congratulations, Vin "Bag of Bones" Franzino, our playing coach; Frank "Sunshine" Reis; Jerry "Lover" Campanella; Frank "Big Cat" Kiernan; Bruce Vittner; Jim "Hooper" Gray; Ted Smith; Bill "OK" Martin; and Nick "Two Points" Cerrone for representing Chi Gam well.

Vin Franzino is shaping up the softball team. It looks like we should have another winning season. Returning lettermen include Bruce Vittner, Bill Martin, Dennis Lavallee, Ted Smith, Nick Cerrone. There is also plenty of new "talent" on the team: Dave Carbonetti, from the draught; Jack Baker, previously with the Uxbridge Yellow Sox; Frank Kohanski from the Manton Gang Fighters, Jerry Campanella, from the Cranston Candies, and Tony D'Uva, from the Johnston Images.

Rumors have it that the Chi Gam bowling team is in second place. Our Athletic Director, Vin Franzino, was surprised to hear that we had a team. Congratulations Dave, Denny, Craig, and Vinnie.

Frank Kiernan extends a thank you to the person who found his jacket. Were you really sleeping Friday night? "Isms" is heartbroken because his girl went away for a week. One question, "Isms", how did you get home from West Warwick two weeks ago? Sticks, are the Sherwoods playing at your wedding? One brother was wondering where the sisters are going and where they are staying Memorial Day Weekend.

# Tennis Team Ties Friars in Pre-Season Scrimmage

The Bryant College Varsity tennis team is off and running to one of its best starts ever. This year the tennis team played on indoor courts, and the indoor season was concluded with a scrimmage against Providence College, in which the Bryant Indians showed their future potential by tying a strong Friar team.

Mr. Harry M. Robinson, in his freshman year as a varsity tennis coach, has done a splendid job in molding a team which boasts a lot of power and a considerable amount of depth.

Team captain Andy Sundberg heads the list of returning lettermen, and together with Dave Hansen provides a one-two punch which opponents have found difficult to overcome. Other veterans are Dick Carlson, Jay Deely, Ed Shapanka, and Micky Bixler. Rounding out the squad are Al Goldsmith, Dan Coscina, Vinnie Vesce, Brian Alkon, Ed Sickman, and Player-manager Peter "Pancho" Zierer.

The outdoor season started on April 15, in which the Bryant Indians were upset by a very strong SMTI team 8-1. On this particular cold and windy April day, it could be seen that both teams were tight in their opening debut.

The next match was held on April 17, when Bryant played host to a tough Nichols College team on the Benevolent Street courts. Led by Andy Sundberg's superb play, Bryant completely dominated the match, winning 8-1. Also looking good for the Indians were Dave Hansen, Dick Carlson, and Jay Deely.

The team next took to the road, traveling to Sacred Heart University in Bridgeport, Conn. In this match, part of the team had a little difficulty—not in playing—but in finding the courts. Once all members were accounted for, the result was a 6-3 Bryant victory.

Returning home, the Indian netmen faced SMTI for a second time, in which Bryant came out on the wrong end, with a 7-2 score. Although nobody won a singles match, the first doubles team, consisting of Sundberg and Hansen, looked particularly good.

On April 24, Bryant racked up its third victory at the expense of Bridgewater State. This match was characterized by the steady play of newcomers Dan Coscina and Alan Goldsmith.

On April 27, Bentley College was Bryant's next victim by a score of 8-1. A make-shift doubles team consisting of Andy Sundberg and BRIAN ALKON surprised everyone, including themselves, with an upset victory.

April 29 was the date of the Indians' fifth victory. The team, minus a few players, scored an overwhelming victory over Barrington, 7-2. The match was highlighted by Ed Shapanka's

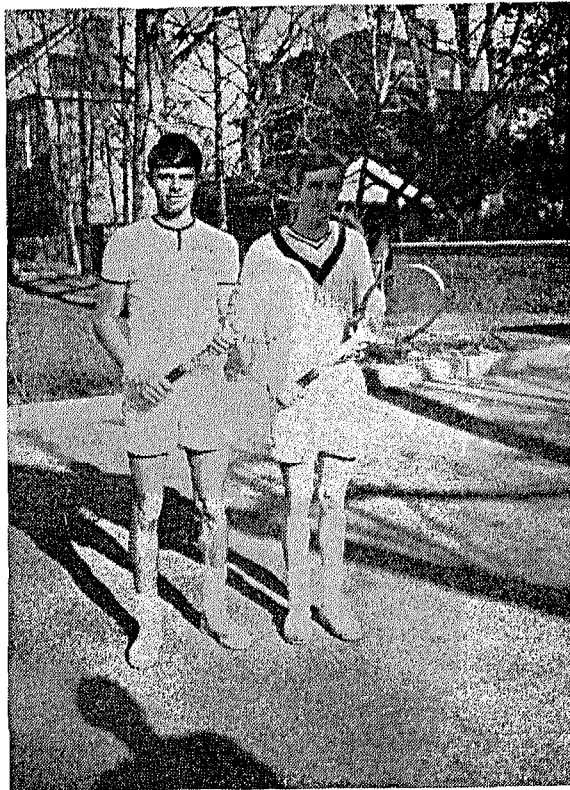

Photo by Phil Snyder

Captain Andy Sundberg and Dick Carlson, two of the senior mainstays of Bryant's Tennis Team Line-up.

victory in the fifth singles position.

The Bryant netmen are almost assured of topping their previous high for wins in a single season of eight. If a good over-all record is achieved, there are possibilities of Bryant's going to a post-season tournament. The team would like to extend their thanks to all those who turned out to watch the home matches, with a special thank you to Beverly Greenberg who has a perfect attendance record. The remaining schedule is as follows:

- May 1—Bryant at Curry—3:00
- May 2—Bridgewater at Bryant—3:00
- May 5—Bryant at St. Francis—3:00
- May 6—Bryant at Barrington—2:00
- May 10—Bryant at Nichols—3:00
- May 12—Bryant at University of Maine—3:30

Baseball Team is off and running. Coach Wally Camper instructing the team as it continues with its 8 and 5 record.

## PELL INTERNSHIP

(Continued from Page 1)

and April 3 were the starting dates of the two weeks that Bryant would be represented in Washington.

The interns began the week by arriving at Senator Pell's office at nine o'clock Monday morning. The office is located in the newly completed Raymond Senate Office Building. This was to be the start of a most hectic and exciting week.

As a part of the program the interns were assigned responsibilities in the Senator's office. These tasks included working as receptionists, typists, pages, and giving any other forms of assistance they could give the regular staff.

Senator Pell wasn't always in his office, but other well-known individuals were entering and leaving the office throughout the day. Some of these VIP's included Senator Pastore, the Kennedys, Congressman St. Germain, and other Senators.

Not all the time was spent working. The interns were taken on many tours, including a special tour through the White House. There was also time for some general sightseeing of Washington itself.

Upon returning from Washington, the four interns had a broader and deeper understanding of our legislative body of government. It is felt that an appreciation of the workings of government will encourage more people to enter political careers.

## DR. PHILLIPS TO ATTEND U.R.I. AND MANCHESTER CONFERENCES.

Mrs. Priscilla M. Phillips, Assistant Dean of the Business Teacher Education and Secretarial Science Departments at Bryant, will attend the Sixth Annual Conference of the Association for Student Teaching, to be held at the University of Rhode Island on Saturday, April 29. This day-long conference will take the form of a Workshop on "Classroom Verbal Interaction." Mrs. Phillips will also represent Bryant at a two-day education conference sponsored by the New England Board of Higher Education, May 4 and 5, at the Sheraton-Carpenter Hotel in Manchester, New Hampshire.

## MODEL GEN. ASSEMBLY

(Continued from Page 1)

In preparation for the duties the Bryant Delegation had to play at the Assembly, our students were briefed by the attache of the nation of Afghanistan. Mr. Siddiq spent some two hours with the Bryant delegation. It was during this time that Mr. Siddiq was able to explain his country's position and policies concerning world affairs. The delegates' questions were also answered during the same time period.

Among the many activities that were attended by Bryant were two meetings held at the United Nations itself. Mr. Federenko, UN ambassador from Russia, and Lord Cardon, ambassador from Great Britain, also addressed the assembled delegates at the UN.

Each member of the Bryant Delegation to the 1967 National Model General Assembly was assigned to a separate committee of the Model Assembly. In all cases Afghanistan and its interests were represented in each committee and in the assembly by the delegates. Howard Duckworth, a Junior, President of the Bryant Young Republicans, and member of the Student Senate; was a candidate for the continuation committee which meets in the interim period.

## AN IMPORTANT NOTICE TO ALL SENIORS

This information will be used in preparing the notice of your graduation from Bryant and will be sent to your home town newspaper at Commencement time in July.

Ever since the first week of bowling THETA has been in first place. However, last week (which was the last week of bowling) THETA led by only one point. It was tense but the THETA girls pulled through by taking four points from SIB. All the sisters want to thank and congratulate these four girls for doing such a great job: Marsha, Diane, Ruth Ann, and Laurie (yes, I had a hand in it too), we are all very proud of you and thank you for winning that beautiful trophy.

Further on the sports scene; softball will be starting soon, but that is now Jill's department as she was inducted to the office, along with the other officers, last Tuesday. I am sure she will follow in Marsha's footsteps. Speaking of induction, the banquet was beautiful and I am sure it left quite an impression on the new sisters as it did on the old sisters last year. We have faith that you girls will keep THETA #1 next year as it has been this past year.

Kathy: You did a wonderful job last night. We were all proud that you were representing BETA. Tonight will be the final decision, but no matter what that decision may be you are OUR MAY QUEEN. So keep that THETA smile. It's great!

RS: Think CK will like that lace?

LS: We've got to get to it, don't you think?

DT: Spreading bacteria again . . . uh?

SL: What else does he pick out?

JM: Find yourself lately?

The bowling season came to a close last week. We're proud to announce that our team came in third place! We also won 2 of the 3 trophies being awarded!! Congratulations to our winning team: Mary Kilpeck (high single clump), Barbara Ciosek (captain), Marilyn Levy (the famous curve), and Barbara DeMarco (No. 333).

Beta held a cake sale last Saturday at Almaks in Bristol. It was a fantastic success! Thanks to all those sisters who donated their white thumbs, time, and effort.

Congrats to our Brother's baseball team on their recent victory over BIB. From what I hear, guys, you have a very successful season ahead of you. Keep up the good work!

Our regular reporter Ghoulie got writer's cramp from the last article, so I volunteered my services for this week. Ready, brothers?

Tonite, our annual May Queen Dance will be held at the Sheraton-Biltmore beginning at 8. Entertainment will be supplied by "The Others" and those brothers that find it necessary to pin someone. That's always entertaining, especially the day after!!

Saturday night beginning at 8, our annual, my error, our sisters' annual Coffee N' Confusion will be held in the Bryant Gym. The Left Banke will perform instead of the Rolling Stones. Fred booked them for his apartment!!

Reports of a splinter group in the fraternity have been floating around. They call themselves "The New Breed" and are led by Cheetah, Murmur, Baroness, and Feeney Weeney. Sell much candy, fellas? If you don't, you're Apt to get a Rock thrown at you!!!

Our softball team made its debut under "Belligerent" Ace King. We lost a squeaker to SLP, 11-5. Coordination and cooperative efforts among the players was the highpoint of the game. Our outfielders got a good workout, especially the Stallion who certainly covered a lot of ground out there. Chihuahua!!

Congratulations are in order to Steve Berman for being deemed the Gazelle for outrunning the Stallion, Fran Engert for finally passing, Mike Shapiro for showing Chi Gam's sharpies how to make a two-bid and still lose, C-Ball for getting his pipes cleaned up, and finally to the contented cows: May they moo along peacefully forever!!

It's been rumored that the Deemer is loose again. He has struck twice already and word has it that he may strike again very soon. Who's next?

Zorb: Is your new theme song "Going to Kansas City"?

Yo: They say that Parris Island is nice around the end of August!

Jetson: It could be your breath!

Rider: The fall is a great time for Taxes. Join me?

Cheetah: Happiness is a SIB blazer.

The annual B. A. Dario Award for heroism in the face of total disaster has been awarded to Carl Yasharian who tired hadly in the final few yards to the wire. Maybe if you drop down in class. . .

Well, I warned you. By the way, Reamer, what are you doing this week? P.S. Do you like fish?

Only 3 more weeks of school and the brothers have been working hard for the upcoming May Queen display. The committee headed by Jeff Levy promise a top rate exhibit Tuesday night. Good luck to BIB and SIB and to our candidate Claire Orel.

Turning to sports, congratulations to our baseball team for upsetting BIB in our first baseball game of the season, 11-5. The game was a tremendous effort. Ira Stone made two great catches to bring us out of first inning trouble, and Al Haas' homerrun split the game wide open. Lou Fogelman did an excellent job pitching and top-notch performances were by Ken Quigley, Al Cooper, Joe Venditelli, Al Felner, Barry Zimmerman, and Dave Sigel. Unfortunately Sunday's game was lost to Phi Sig. Attributed to the loss might be brother Ray Mitchell's party Saturday night in Boston. The team put forth a good effort, but the breaks were not on our side. We dropped a tough one by a 6-4 score. Thanks to all the brothers for coming out and supporting the team.

SLP had its second salute to ancient Rome as Mike Brasimus staged a Mini-Toga Rebellion Saturday night. I doubt if Nick and Quigs remember too much. AOX helped us in our salute and all who attended had a great time.

Tony and Bob—How's New Hampshire??

Mike—Great party.  
Vendy—Keep the faith baby.  
Gene—You picked the wrong week!!

A great time was had, by all who attended the annual Pledge Formal of Alpha Phi Kappa Sorority and Kappa Tau Fraternity. On Friday night due to "circumstances beyond our control", the hall party was over sooner than expected.

The cocktail party Saturday afternoon at Minnehan's was really "groovy"! (Who spiked the punch?!)

Later on, the dinner and dance was held at the Falstaff Restaurant. Induction of pledges, swearing in of officers, and presentation of trophies and awards took place after dinner. Congratulations to Linda DeFulco—recipient of Best Pledge Trophy, Carol Smedes—Most Helpful and Congenial Sister During Pledging, and Joan Melino—Most Understanding Sister During Pledging!

Even though the Formal was over at midnight, many of the attendants had "private parties" afterwards.

Rabb—You're pretty good at playing charades. Nothing is better than baseball at 4 a.m.

Stuie—Do you hear sirens?

Rebel—Did you hurt yourself?

Wolk—Did you say something about thin walls?

Linda—You weren't being snaked!

Dore—Is Barry Really going to send "them" to his mother?

Baker—Don't you know S-T-O-P means stop!

Bud—Were Sally and Beth REALLY Scared?!

Jerry—"Mirror, mirror on the wall . . ."

Too bad a certain tennis match conflicted with a certain cocktail party.

Congratulations to our brothers on their championship basketball season. KT "TOP DOG!"

Saturday nite, May 6, SIB and BIB will hold their dance in the school gym. It starts at 8 p.m. featuring The Left Banke and The Others. Bob DeCarlo of WICE will be disc-jockey for the evening. The most delightful sight of all will be our sisters cordially selling and serving cokes to each and every one of you. So scrape up your dimes and nickels, and by all means, please acquire a thirst!

We sincerely hope that everyone will be there Saturday nite. Remember—it's your last big event of the school year before finals. Subject to bring up that ugly subject, finals, but that's how it goes. See ya Saturday nite.

Hope everyone enjoyed the joke about our annual May Queen in last week's Archway.

Our sincerest thanks go to Barbara Fiore, our president, who did a fine job.

Congratulations to Ginger on her superb performance last night. We were all very proud of you. Good luck tonight!

Good luck to SIB and BIB on their May Queen weekend.

A good job was done by all the sisters who participated in the Tug-of-War. They were Phyllis Wolford, Dyan Tolman, Gail Gatta, Pam Coates, Chris Plouffe, Diane Malchiodi, Margie Miller, and Fran Yurman. Nice tugging girls!!

The annual Parents Banquet will be held this Sunday at the Holland House in Warwick. The new officers will be installed.

Good luck to all the sisters on the baseball team. I know baseball is one of our better games!!

Eileen, hope you have a good trip to Puerto Rico, and don't forget all those postcards you promised. What kind of plays will Dyan and a certain brother be discussing now that they are both Athletic Directors?? Prince, thanks for the words of wisdom. S. L. gave us a fine report on her sister's wedding . . . Yea, Sue . . . ! Let's hear it for the fruit cups!! Is there a repair service for antennas? I am sorry, honey. What certain sister was on Cloud "9" all week—you lucky! Arpin, do you have "spastic" fits very often. Many sincere thanks to an understanding and kind brother—anonymous. P. L., who calls you names and makes you cry? A. R., do you always clap when the Assistant Treasurer wins!!?

Sorry! Julie and Bruce sure know how to ride in style! Right? Our D.O.W. for this week is Charlotte (MAMMOOSE) Iovino. She sure acted like a pro Friday nite at Fred O'Connell's party. There were wall-to-wall people. Congrats, Mammoose. Yenta sure has acquired a YEN for bananas. Get it! Happy P. O. to Donna Stein, Yenta, Spitz, Susan Kall, Sheryl Fine, and Kay. Sandy—only 14 more days. Remember Gorab, Ronnie says you have possibilities. So don't fret.
