By Kenneth A. Culp

Bryant has taken first place in the Tri-State College Bowling Conference. The Indian team now has a 1½ game lead over Lowell Tech #1. The conference is made up of Bryant College, Lowell Tech, Boston University, Central Connecticut, and Western New England College. These colleges and universities cover Massachusetts, Connecticut, and Rhode Island with each college making up its own team.

Besides now being in first place, Bryant's team also has high team triple for the season and 2nd and 3rd place in high triple for individual players.

Team members include Kenneth Crystal, David Carbonetti, Michael Loughran, Eric Marquart, James Zorho, George Morrow, and George Goodman. Bryant's record stands at 17 wins and 3 losses, with Lowell Tech #1's 15½ wins to 4½

Nationalist Chinese Students Visit Campus

By Kenneth A. Culp

160 Nationalist Chinese students visited our campus for a tour as part of an all-day tour of Providence. The students, who are attending the Naval War College in Newport, were interested in learning what an American College looked like. Sponsors of the tour on campus was the Bryant International Club.

Divided up into four groups, they were given a tour of the Activities Building and given souvenir copies of the ARCHWAY. They were also shown the new wing of Memorial Hall, the science labs in Kileup Hall, the Gym, the upstairs and downstairs Cafeterias and the Gardner Dorm Lounge. The tour also included a look at a typical dorm room. At the conclusion of the tour, the students left by bus to return to Newport.

losses. Boston University falls way back to third place with 8½ wins to 7½ losses.

Delta Omega Changes Officers

By Kenneth A. Culp

The new officers of Delta Omega took office at the last meeting held at the Admiral Inn in Cumberland, R. I. All outgoing officers received trophies and the outgoing Board of Directors received Certificates. Outgoing officers receiving trophies were President, David E. Gordon; Vice-President, Douglas B. McCaig; Secretary, Gary B. Warner; Treasurer, John R. Cookson; Asst. Treasurer, Kenneth A. Culp; and Publicity Chairman, Stephen A. LaZinsk. Two of the hardest jobs are those of Vice-President and Treasurer, and the trophies that Doug McCaig and John Cookson received were well deserved. The Vice-President must oversee the production of the programs for each dinner-speaker meeting, a task that must be completed at least two weeks in advance. This position was filled by Doug McCaig. To the Treasurer falls the enormous task of planning, ordering, and paying for the some 100 meals at each meeting. John Cookson did an outstanding job of fulfilling his duties over the past year.

Robert Carpenter, Martin Connolly, Michael Poissant, and Fred Lowery all received certificates as Senior members of the Board of Directors as well as junior board members Donald Isles, Samuel Goldman, Glen Jackson, Sidney Tinson, and sophomore board members Gary Keighley, Edward Shapanka, Douglas Stark, and Samuel Pilch.

The speaker for the evening, Mr. Peter Provdva, Personnel Manager for Hassenfeld Brothers of Pawtucket, holds a B.A. from Colgate, a Masters in B.A. from Cornell. He started work at Hassenfeld in November of 1966. Mr. Provdva also teaches at Roger Williams Junior College.

James Gibney and Howard Duckworth

Former Bryant Student Head Of Greek Junta

By Kenneth A. Culp

A former Bryant student, Nicholas Farmakis, heads the new ruling junta in Greece. While at Bryant, Farmakis was President of the GLC and active in the International Relations Club.

One of our neighboring collegiate newspapers, The Brown Daily Herald, tried unsuccessfully to reach Mr. Farmakis in Athens for an interview. The regime has banned youths from pool halls and gambling centers along with calling for regular church attendance for all. In addition, they have banned miniskirts and beatnik attire.

A report on Mr. Farmakis' activities while at Bryant and during the years since his leaving Providence will be published in a forthcoming issue of the Archway.

Mr. Provdva's speech covered the duties of a Personnel Manager. The job, he feels, is divided into a number of responsibilities — training, selection, placement, unions, motivation, and measuring the effect.

New Student Senate Meets to Keynote The Coming Year

By Howard Duckworth

Paul K. Delude, newly elected president of the Bryant College Student Senate for next year, called a special meeting on Monday, May 8, to discuss with the new senators the role the senate should play on the Bryant campus in the coming year.

The meeting was called to order by President Delude at 3:00 p. m. Mr. Delude introduced the other new officers of the 1967-1968 Senate: Vice-President, Bill Arndt; Secretary, Dianne Danielson; Treasurer, Bill Buron.

After the introduction of the elected officers of the Senate, the president appointed James Gibney (Pres., Class of 1968) as his Parliamentarian. Mr. Gibney has served the Senate this past year in an unofficial capacity. In the coming year the school will no doubt see Jim give of his time as unselfishly and with as much dedication as he has in the past. His duties will entail making sure that all meetings are conducted in a manner conducive to good student government and will have the power to decide on procedural matters pertaining to the functioning of the Senate.

In addition a new office was created under the leadership of the new president — that of Public Relations Director of the Senate. To this office President Paul appointed Howard Duckworth (Vice-President, Class of 1968). Howard's job will be to (Continued on Page 4, Col. 1)

Time to Apply For Fulbright Grants

The Institute of International Education (IIE) announces that its competition for 1968-69 United States Government graduate grants for academic study or research abroad, and for professional training in the creative and performing arts, will open officially on May 1st.

IIE conducts competitions for U. S. Government scholarships provided by the Fulbright-Hays Act as part of the educational and cultural exchange program of the U. S. Department of State. Under this program, more than 850 American graduate students will have an opportunity to study in any one of 54 countries. The purpose of the awards is to increase mutual understanding between the people of the U. S. and other countries through the exchange of persons, knowledge and skills.

Candidates who wish to apply for an award must be U. S. citizens at the time of application, have a bachelor's degree or its equivalent by the beginning date of the grant and, in most cases, be proficient in the language of the host country. Selections will be made on the basis of academic and/or professional record, the feasibility of the applicant's proposed study plan and personal qualifications. Preference is given to candidates who have not had prior opportunity for extended study or residence abroad and who are under the age of 35.

Creative and performing artists will not be required to have a bachelor's degree but they must have four years of professional study or equivalent experience. Applicants in social work must have at least two years of professional experience after the Master of Social Work degree. Applicants in the field of medicine must have an M.D. at the time of application.

Two types of grants will be available through IIE under the Fulbright-Hays Act: U. S. Government Full Grants, and U. S. Government Travel Grants.

A full award will provide a grantee with tuition, maintenance for one academic year in one country, round-trip transportation, health and accident insurance and an incidental allowance.

Countries participating in the full grant program will be: Afghanistan, Argentina, Australia, Austria, Belgium-Luxembourg, Bolivia, Brazil, Ceylon, Chile, China (Republic of), Colombia, Costa Rica, Denmark, Ecuador, El Salvador, Finland, France, Germany (Federal Republic of), Greece, Guatemala, Honduras, Iceland, India, Iran, Ireland, Italy, Jamaica, Japan, Korea, Malaysia, Mexico, Nepal, the Netherlands, New Zealand, Nicaragua, Norway, Pakistan, Paraguay, Peru, the Philippines, Portugal, Spain, Sweden, Thailand, Trinidad, Turkey, United Arab Republic, the United Kingdom, Uruguay and Venezuela.

For holders of grants to Australia, Ceylon, China Republic of, Finland, Germany, India, Japan, Nepal, Norway, Poland, Portugal, Romania, and Turkey, a maintenance allowance will be provided for one or more accompanying dependents.

A limited number of travel grants is available to supplement maintenance and tuition scholarships granted to American students by universities, private donors and foreign governments. These are to France, Germany, Israel, Italy, Poland, Romania, Spain, Sweden, Turkey and Yugoslavia.

In addition to the grants offered by the U. S. Government, the Institute also administers approximately 100 awards offered to American graduate stu-

Dear Editor:

On the evening of April 26, a unique program was held on the Bryant campus. The showing of the film *Phoebe* and the question and answer period on the film following the movie enlightened all participating students.

It is important at an institution of learning such as Bryant that the students meet the professors outside the classroom atmosphere and hear opinions expressed on topics other than what the professors or instructors teach.

Not only did the students gain in knowledge, but they also gained in their respect for the professors expressing their opinions with the frankness they used.

Mr. Yorks, Mr. McAloon, Mr. Camper, and Mr. LaFontaine should be commended for planning and working on this program.

With the hope that such programs on campus will continue.

Two Students Represent Bryant in Eastern States Exposition College Queen Contest. Kathleen V. Dore, Bryant's "Miss Personality," and Lynda C. Sjoblad, "Miss Bryant," will enter this Eastern States competition. Preliminary interviews will be held during May in West Springfield, Massachusetts.

Students by several foreign governments, universities and private donors. The "foreign grants" are to Austria, Denmark, France, Germany, Iceland, Israel, Italy, Mexico, Poland, Romania, Sweden, Switzerland, Tunisia, Turkey and Yugoslavia.

Application forms and information for students currently enrolled in Bryant College may be obtained from the campus Fulbright adviser, Dr. Sol Lebovitz.

A Note From The Director of Financial Aid

As the end of the current academic year draws closer, one's thoughts turn to many things non-academic. And perhaps thinking about next year is the farthest thing from your mind. But,

PLAN AHEAD

Now is the time to estimate your college expenses and resources for 1967-68. For those whose resources are less than their expenses, it is the time to seek out financial assistance. If you fall into this category, and expect to need financial aid at any time during the 1967-68 academic year, you must apply before July 1, 1967.

Two documents are required for financial aid, an application to be completed by you and a Parents' Confidential Statement to be completed by your parents or guardian. Both of these documents may be obtained from the Financial Aid Office, Room 3A, Administration Building. If your family has already submitted a PCS this spring, you need only complete a financial aid application.

Please note that you must apply for financial aid each year. It is not automatically renewed.

If you have any questions concerning whether you qualify for financial aid or what sources are available, drop in the Financial Aid Office for a chat.

We want to thank our baseball team for a job well done. Just consider this season as practice for next year, girls.

Well, an awful lot has been happening lately, or at least within the past month. My apologies to the brothers.

The end of April saw the K.T. basketball team go on to an undisputed championship under the able coaching of Jack Minnehan (who, incidentally shaved off his beard). The hard fighting team of Vinnie Smeades, Dave Greenblat, Stu Springer, Lenny Nicolosi, and Mike Raysor led the team to victory.

Then there was the pledge formal. It all started Friday night with a wild party and dance, and the fun never stopped. Saturday, there was the cocktail party Jack, Lenny, and Kevin hosted. A special thanks to the Muffs who provided the entertainment. Danny Cocina mixed a punch that knocked out everyone, just ask Jim Demeo. Well, the party broke up around five thirty and everyone dragged themselves back to get ready for the formal. A few hours later the formal began out at the Palstaff. First there was the swearing in of the new brothers. Congratulations to Dave Sgorbati, Dave Schenkel, Ike, Vinnie, Benny, Al, Jim, Danny, Jerry, Rebel, Gregg, Dick, Joe, and others. The awards ceremony came next. Barry Ringelheim won most helpful brother from the fraternity. Kevin Donovan was awarded Best Brother. Pete Letendre was voted brother with the most initiative. Mike Raysor won the most athletic award. Jack Minnehan was awarded the coach of the year award. Then, the pledges, represented by Dave Sgorbati, awarded the most helpful brother trophy to Rich Sardella and the most unhelpful brother trophy to an unsuspecting but noisy Joe Zimmer. Following the presentations the officers were sworn in. Congratulations to all. When the pledge formal finally broke up at about twelve thirty, everyone who could still stand went back to the Esquire for more parties, ten, to be exact, all going on at the same time. What a night!!!

It was about four o'clock in the morning when Stu woke everyone up for a baseball game under the lights. Rebel didn't quite wake up enough though and ended up in the pool "Wow!". Finally at about five thirty, all was quiet. The next morning everyone took off for Newport. The Greatest Pledge Formal Yet.

As a final note, the brothers of Kappa Tau would like to thank Gail Solar for representing us in B.I.B.'s May Queen contest.

Before I say anything, I'd first like to thank all those who contributed to the making of our weekend such a complete and wonderful success. We just hope, and are actually quite confident, that you all had as good a time as we. If I could remember exactly what happened last Friday at the Biltmore, I might be able to talk about it for awhile, but you were probably in as bad or worse shape than I. Our most humble thanks again!

Well, as you probably realize, this is the last article of the year and at this time I'd like to dedicate this article to BIB's graduating brothers, who deserve much more than even I can offer. Every year we lose a share of the Frat, but this year seems to be quite different. We're losing more than just seniors, we're losing the men who built this Fraternity up to the position it occupies today. BIB has never boasted that "We're #1 or "TOP DOG" because we know it and don't have to persuade anyone. This is something that should be evident, or at least exemplified by our seniors this year and the three years previous. All that can be said is that these brothers have set an image that has been more than respectful; it has been honest. So, at this point, I'm privileged and honored to extend the gratitude of all the "other" brothers of BIB to the following brothers who are about to depart:

- Carl Yasharian—"Yo"
- Art Wexler—"Bones"
- Mike Thoma—"Honey"
- Dale Ursin—"Dell"
- Marv Govitz—"Cuda"
- Ed Chicoski—"Chunky"
- Bill Lehmann—"Lank"
- Tony Strianese—"Toby"
- Charlie Deliee—"Charles"
- Mike Shapiro—"Toe"
- Jim Zorbo—"Zorb"
- Bill Conaty—"Buzz"
- Al Tufankian—"Ruggie"
- Dick Wadsworth—"Watson"
- Fred O'Connor—"Big Freddy"
- Jim Lockwood—"O. C."

We just hope that we can carry on the work and uphold the ideals of BIB as well as the above brothers have for the past four years. The best of luck in all of your future endeavors, gentlemen.

What an opportunity to "bust a few", especially after the past weekend. If only I had more room, but there's always next year! The brothers would also like to congratulate Richard Wadsworth and Travis Doering on their recent engagements to Carolyn Duffy and Peggy Crawford, respectively. Last but certainly not least — you're to be commended "Big Lad" for a job well done.

We wish to thank Ginger for the wonderful job she did representing us. We also wish to thank BIB and SIB for a very fine and enjoyable time.

Congratulations in advance are extended to Ron Cioe, Tom Finn, Ted Smith, Jim Gray, Jim Kotsaftis, Artie Page, Ronnie Marinelli, and Charlie Motta for receiving their degrees. Best of luck in the future, Brothers!

The brothers and sisters are once again planning their annual excursion to Cape Cod over Memorial Day Weekend. It will be a peaceful rest after exams. Yeah, sure!

Kenny Silvia received his thank you note from BIB for the excellent job he did in planning their weekend. Isms outdid himself this weekend. Hey Jack, who was that cute Great Dane you were with? Al "Dracula" Spigle, Jack "Creature" Baker, Dave "Beast" Marques, Barry "Werewolf" Jay, and Bill "Frankenstein" Martin threw a horror party at the haunted apartment. Sticks claims he hasn't had as much fun since his Bar Mitzvah. Jack Baker was certainly surprised when he spotted the moon on that rainy, foggy Friday night. Jack's headlights must have gotten a short, because they went out unexpectedly on Eaton Street. Barry Jay received a standing ovation from Isms and Sticks for his fine piece work. Sticks and Isms were taking turns snatching goodies from the grab bag, or was it a box. Sticks, that girl certainly left you in a hurry Friday night. The only question is why those guys had to go to Haven Brothers for dogs.

We have a good team this year, and we should go all the way. Keep up your perfect record, Dom.

Last but not least, all the brothers would like to thank Dave Benevides, Bunny, and Ives for making this year the success that it was for PHI SIG. Thanks, Ives, for doing a fine job as Sports Director and the great effort you put forth to put PHI SIG on top.

We are all looking forward to a weekend at Lake George this June. I hope all the sisters will be there.

NEW STUDENT SENATE (Continued from Page 1)

establish better communication between students and the Student Senate and between students and the administration. It is hoped that the office of Public Relations Director will also be a positive adjunct toward strengthening the respect of the student body for the senate by keeping it informed as to what the Senate is doing.

Kenneth Culp, an outstanding veteran member of the Senate, moved that the Bryant College Youth Guidance Club be unanimously admitted to the Senate, having fulfilled the organizational requirement. And it was. The purposes of this group were outlined by the President of Youth Guidance, Bob Stutz. He explained that next year's membership would be limited to 35 students and their individual "little brothers or sisters." The prospective members will be screened by an interviewing board before they are accepted. Youth Guidance was formed under the direction of Dr. Jacobs, President of Bryant College and James Hilliard, former Student Senate President. Since its inception the group has been highly successful in helping underprivileged young people to help themselves. Mr. Hathaway, faculty advisor to the senate, stressed the importance of the Youth Guidance philosophy. He suggested that it would be significant to have members of the group stay with their "little brothers and sisters" for their entire college career for the benefit of the youngsters.

Also discussed at the meeting was the need for improvement in the Freshman Orientation Week. Jim Gibney called for greater Senate support and participation in the program. It was generally agreed that the fault lay not in the Freshman Orientation Week program itself, but rather in the administering of it. President Delude has asked Dr. Russell, Vice-President for Academic Affairs, if he could sit in on the Administration's committee which formulates plans for the Freshman Orientation Week.

Another pertinent topic brought before the Senate was the fact that there have been numerous complaints from students about the quality and servicing of class rings. A committee was appointed by the president to look into this matter with appropriate college officials.

A proposal, which was initiated both by the Bryant Interfaith Council under the direction of Steve Landis, and by Senate President Delude would look into the possibility of holding a "Parents' Weekend." This proposal which was discussed by Jeffrey Levy representing the Interfaith Council, would be an event of major significance for Bryant College. Under the Senate's proposal, it would be an extensive two-day affair with opportunity for parents to meet faculty members, members of the administration, as

Bruce Warren Selected President Pro Tempore Of Greek Letter Council

On Wednesday evening May 3, the Greek Letter Council held its annual spring banquet at the Wharf Tavern in Warren, Rhode Island.

Dr. E. Gardner Jacobs, praised the council for the outstanding role it has played in school affairs this year. He specifically cited the fine work the G.L.C. has done on behalf of the Rhode Island Heart Association.

Each Greek president was presented with a lamp from the college. GLC President, Irwin Kurns, who also presented Dr. Jacobs with a lamp inscribed with the G.L.C. insignia.

As the banquet closed, Bruce Warren, newly elected President of AOX, was appointed President Pro Tempore of the Greek Letter Council for 1967 by outgoing President, Irwin Kurns.

well as the students of Bryant. It would also give them a chance to see the campus and to feel that the investment they are making in their children's future is truly being well spent here at Bryant. Although only in the embryonic stage of development, this program, it was generally agreed, could generate a great deal of enthusiasm to benefit all concerned. The fulfillment of this proposal will depend on how receptive the Administration is and will occupy the Senate's attention this summer.

It should be apparent that your Student Senate is very much alive. The Senate has been, is, and shall continue to be the most dynamic force the students of Bryant have to have a say in matters pertaining to their years in college. Next year there will be a weekly column in the Archway concerning what your Senate is doing. The Student Senate was founded and exists to represent you and to serve as a liaison between you and the College. All of the meetings of the Senate are open to all students of the college and your suggestions, complaints, and positive help are always welcome.

To sum up the purpose of next year's Senate and its commitment to serving you, President Delude had the following words to say, "Before the Senate can effectively meet the problems facing the student body, it must strive to obtain constructive goals. We in the Senate look upon healthy controversy as the hallmark of healthy change. The Senate will not consider the problems facing it, it promises not to consider them, but rather to reconcile them." The meeting was adjourned at 4:15 p. m. at which time refreshments were served.

Lowrey and Culp Named State Legislative Interns

Retiring President of the Student Senate Fred Lowrey and Kenneth A. Culp have been named state legislative interns by the Speaker of the Rhode Island House of Representatives upon the recommendations of Dr. Sol Lebovitz, Faculty coordinator for Social Sciences. Fred who has just retired as President of the Student Senate, is a member of the Key Society, Bryant Young Republicans, and a member of the Senior Board of Directors of Delta Omega. Ken is President of the Bryant International Club, a student senator, Vice President of Delta Omega, a member of the young Republicans, and newly appointed Feature Story Editor of the ARCHWAY.

It was by agreement of the legislative leaders of both parties that a student intern program was put into operation in the Rhode Island General Assembly. The program started with only ten undergraduates. This first group of students will serve without compensation and have been assigned to various Legislative leaders.

Rep. John J. Wrenn, Speaker of the R. I. House of Representatives and Chairman of the Joint Committee on Legislative Affairs which authorized the program has said, "I think it is an ideal way in which these students can obtain a practical knowledge and understanding of their government and which will provide them with an invaluable insight in their formal studies." The first group of ten undergraduates is made up of two from Brown University, two from R.I.C., two from Salve Regina College, two from Bryant and one each from U.R.I. and P.C.

Bryant College Honored by Bar Association with First "Liberty Bell" Award. In special ceremonies marking Law Day, the Providence Bar Association's first annual Liberty Bell Award was presented to Bryant College in recognition of its new degree program for law enforcement officials and officers. Presiding Justice John E. Mullen of Superior Court presented the award to Dr. E. Gardner Jacobs, President of the College, at ceremonies held Monday, May 1, in the Providence County Court House.

Bryant Enters International Turtle Race

By Kenneth A. Culp

Bryant was one of 116 Colleges and Universities from all over the world that entered the International Turtle Race at American University in Washington, D. C. last weekend. Barry Ringelheim, Danny Coscina, and Ronald Cioe represented the College at the race.

The team left last Thursday in order to "coach" Bryant College's turtle, called "Senator", on to winning. Even the University of Moscow was represented. The race was held inside on Saturday and the colleges and universities were divided up into heats of 10 to 15 turtles at a time. Bryant came in second, just missing getting into the finals by one place. International winner was East Texas State University.
