## LETTER THIRTEEN-EDITH TO VIC

Wednesday

9/27/44

Sweetheart,

How can I send you Coronet when the order blank calls for another subscription & I have no one to send it to?---Mort doesn't want magazines to follow him around, so he's out. Now, who else? I must give a military address so I can't use it myself. What to do?

I certainly am surprised to be getting mail from you so regularly. I have been "builind myself up" to waiting 3 or 4 or more weeks!. But I guess that day will come!.

Did you get your copy of "Hello Again"? Why don't you write in & tell them that you like the magazine & also, have them change your address?

--By the way, when you are through with above magazine, send it to me. Also, please send me some copies of Yank Magazine. I miss it!.

By the way, are you still with Hq. Battery? What's your position?

Shall I send the officers in your Bn. our Xmas cards to APO 84 or to their home addresses? What is proper? Also, send me a list of names from Col.--2nd Lt., so I don't pass up anyone. Okay?

Heard from Lolly today, and shall send you her letter shortly. She said she wrote you a V-mail!.

Sweetie-I didn't get your "little something" as yet, but I'm eagerly looking forward to it. I'm mailing you the camera tomorrow. Get rid of your old one-maybe you can sell it for 50¢. Huh? Also, please remember that I can't send you anything unless you request it.

Have you seen the article in Oct. Coronet-West Point for Diplomats by Representative John M. Coffee? I'm sure you'd be interested. Read it?--I think you would do well in that field!

Tomorrow I have an app't to see Miss Buckholtz in order to do volunteer settlement work. So far, she thinks she wants me to teach swimming & help with dramatics. She's also interest in having Sanford.

As soon as I get my schedule of volunteer work straight, I shall start going to Sidney Hill. I really mean to lose some weight.

So far, Rhoda Menschel & Sanf haven't started to correspond, altho' I've "stirred up" interest on both sides. She really is a "smooth keed".

I must write you often, because I use this stationery only on you & I'm going to have to order more very shortly.

Turned in your ration books today. Gosh, I'm honest!'

Have been so busy job hunting, writing you, looking for volunteer work & mainly decorating this room, that honestly I haven't seen a show or visited anyone. I guess your folks are perturbed, but all I can sai is "so sorry". The room is really beginning to look like something-no foolin'!

Looks like the Germans may hold out for some time & the Japs, too. But I'M still hoping we can be together next Xmas (45)--and make babies.

All my love forever,

Edith
