

U. S. ARMY AIR FORCES MAXWELL FIELD, ALA. Friday

Dear Mon It's really getting warm how. It must have been almost 1000 inspection in vanks today bon that was hell. Then I went to P.T. only to come back just in time for a parade. Boy I'm borned to a crisp. Tonight Our Aqualvon hul vec privileges and we went swinning in the pool that was just opened. It's dwell, but venn warm. I didn't

Star in Long I've got to watch my sinus too! (I print that so obviour.) I finish dusses Tevsling, EE! and am going to ship on the 27th either to Floridas Georgas Tein So. Canolina, ou cert. I wish I new where boy boned from ave those old "Grapes"
of yours? You take care of yourself, Hey don't sound to good to me. If ever you need me honeing contact me through the Red Cross, it will Save a great deal of time in my secoving a todosoph. Well, dunling I've got some dinale coming sp. Thank Bob the Nam for the tetters. I love soy full
