Sunday No 30 Wear Moin, Well houry. Horse more tours. Boy am I sour. sove. I also have a vice hangover. My bully, Commany brought a little bottle of booze buck with him Friday night, so we polished it off last night for a little tarwell party. He's leaving Teusday. Todan we buck baked the alchohot atet alcohol out of us in the son, as you can see by this letter, I'm still a little

shally. There's no news whatsoever honey. things won't stant happening outil the middle of this week when I get my 20 hour cheek. This is where then would the goentest amount out. More go here, and at dussification, Han anywhere Harough the training so Keep your tingers coursel. Wish Bobby happy Binthday for me again. I love you, honey avodnight sweethourt. Sour loving don
