- producing Judd dear -I always hate so to see you go - 31's been so wonderful lookeing forward to each week-end-even if we don't see you much, me know von're nearyou're near you must wonder why I am writing to you but since I am always playing middle more there's one thing I would to ask you to doyou must admit that you have kind of neglected nother lately so would you do me a favor- ask her out to dunier next Saturday night - you could go early + have a nice dinner together & then bring her home a you go see Dottie -It would make her so

terribly happy just to have

as couple of hours alone with you - Please do this for me -Don't worry about the money that show le 'el work that out - Sit down now t unte to her & ask her if she please don't ever bet ber know that I suggested &yours taking her out would do her a let of good- you must never forget that you are her "ideal" - She adores you 20 - & 20 do 3 - as you know - we are so ground of you and so very fond of Dottie - The is a wonderful girl and I love her a lot I know how much you would to be with Dotte but please do this one thing for me - It would make nom so happy-I love you, honey and Xuas shopping today - honey sharek you
