Miss Blaney:

I received a card from Phil Cornell, and he informed me that I could have my ledger for '43 by writing to you.

Although far from Bryant, one never loses the feeling of spirit that it instills in the hearts of all its students. Like Phil, I was not fortunate enough to graduate, but I am still very much interested in the school's activities, and especially of the B.S.C.

I'm very much pressed for time, so I'll have to close with my address:

Cpl. William Bente - 11, 111, 293

Scott Field, Ill.

Thank you very much
W. Bente.
