

5/13/42

Dear Chairman:

I received your gift of cigarettes today; thank you very much.

The address you have is correct and will be at least until the middle of July when I will have completed my training here. I will advise you of the change in address as soon as possible after my transfer.

If the names of other men from Bryant are printed in the Bryant paper I would appreciate a copy. Again let me thank you very much.

Sincerely

Diak Fogwell
