

A
CHRISTMAS
NOTE

Of
Appreciation

I certainly enjoyed the candy very much
and I do appreciate it. I can just
see the very grateful and happy
looks on the faces of Bryant men
all over this world. Someday we'll
give a grand time to all of you for
this and we'll indeed remember the
Bryant College of Providence and the
many happy hours spent there.

Mighty grateful
For the nice things

you do,

So thanks -

And a Merry Christmas
too!
