Bryant College Service club.

Dear Miss C. Blaney.

I have received a letter from you regarding a Boy sent to my son Lincoln C. Bateson. I am very sorry if he received it he as not acknowledged it. But I know he as been very busy. But I will see him next Saturday and I will asked him about it. I thought he would have been home before this

The address that is on the  
letter is the corrected one  
but I will see him next  
Sat. and I will speak to him  
about it. ~~so~~ sorry it has happened  
this way. Because Lincoln  
thinks a great deal of the  
collage

Yours very truly  
Lincoln Brother.
