Time flies at Bryant. Whether you’re a student, professor, administrator, staff member or trustee, you get caught up in the excitement and, before you know it, years have gone by.

But Bryant memories linger — memories of great people, at a great place, doing great things.

We have had the honor of serving Bryant as Chair of the Board of Trustees during these years. John E. “Jack” Callahan ’56, ’05H served as chair, as well. Sadly, he passed away last year, but his legacy lives on. He truly loved the school.

We speak with one voice in saying that Bryant is an extraordinary learning community. And few American universities have experienced such amazing growth during these three decades. If you have visited the beautiful campus in recent years, you have seen the transformation. It’s evident in the new facilities, and equally apparent in academics, athletics, and student life.

So we appreciate having this book as another way to take a tour of our beloved Bryant — traveling in time through its recent past ...marveling at its current success ...and imagining the possibilities of an unlimited future. We want to thank our fellow trustees for their exceptional service during this period of time. Their devotion, wisdom, and expertise made possible the many achievements noted in this book.
“Twenty years from now, you will be more disappointed by the things you did not do than the ones you did do. So throw off the bowlines! Sail away from the safe harbor! Catch the trade winds in your sails! Explore! Dream! Discover!”

During this era, Bryant sailed away from a safe harbor.

And that voyage continues.
We thank those who have generously given of their time and resources to lead Bryant as members of our Board of Trustees over the past 30 years.
