

SEASONS
GREETINGS

As off we go, into the
wild blue yonder,
Thoughts of the Yuletide
and friends, grow fonder

And as we fly, high
into the sun;
Above the noise of the plane
And roar of the gun,

Our hearts sing out with
this greeting of cheer--
Merry Christmas to you
and a Happy New Year!

*I trust and hope that after
this year's open fire work
will be just a happy recovery*
