Dear Members,

My mail call was very pleasant the other day when your package of cookies and things arrived. They are delicious, and so our progress here on eating them is good, too.

My school days don't seem to be over, for now I am in the Air Force here, studying the radio-operator-mechanics course. It isn't very similar to my work at Bryant, but it is interesting just the same.

Thank you very much for this nice gift, and also for the Bryant bulletins you have sent. It is good to hear how things are going on there.

Sincerely,  
Philip P. Cornell
