Dear Club members:

I thank you for your Easter gift. You certainly came into my heart again and surely at the right time. Your candy tastes "à la délicieux." Gee, you kids are doing a swell job in keeping that "ole" morale on the uptrend. You know the old saying of getting into a man's heart, but quick, and that's through his stomach. Again - my thanks -

As Ever,

C. W. Desormeaux
