Dear Sir:

I was pleasantly reminded by Kenneth Waggard, U.S.C.G. that he, upon a recent visit to the college, was informed that I did not acknowledge receipt of cigarettes that I received as a Christmas gift.

Since Christmas, with the exception of 6 weeks in Maryland, I have been in a different place each week. For this reason it slipped my mind. The letter sent to my father was also given to me, but that too was neglected.

I am taking this opportunity to thank the B.S.C. for that particular gift as it was very much appreciated. Your club is doing a fine job for the Boy Scouts Seasidemen.

Thanks again

C. Dickenson
