Friends at Bryant:

First of all let me apologize in being so delinquent in writing. The fact is I've been moving so much I was reluctant to write for fear my address would change within a few days.

After leaving Mississippi I transferred to Texas, Florida and finally up here. I received the Christmas package ~~which~~ and letter. Believe me you will never know just how much they meant to me.

The mention of friends brought back to memory many fond remembrances.

I don't suppose I can add
to the many praises which
the Bryant Service Club has
received, but believe me your
fine work is not passing
unappreciated.

Thanks again and I'd
love to hear from all of you
again individually or
collectively.
